AI Photo Finding Service

By utilizing AI facial recognition technology, you can automatically receive photos taken by NURETH-21's official photographers that contain you.

- ✓ Step 1. Scan the QR code and upload your face photo.
- ✓ Step 2. Enter your email address to receive your photos.
- ✓ Step 3. Check the photos automatically sent to your registered email from the day after the photo shoot.

K-ETA

K-ETA eligible nationals, who wish to enter visa-free the Republic of Korea, must obtain K-ETA approval before boarding the flight or ship. Please keep in mind that the assessment can take more than 72

hours depending on the situation. Therefore, please apply for K-ETA with sufficient time.

For more information and guidelines, please visit [K-ETA Application Guide page](#).

Liability & Disclaimer

The NURETH-21 regrets that it cannot accept cancellation requests for individual travel interruption caused by strikes or natural causes. The NURETH-21 and its agents are not liable for any loss or inconvenience caused as a result of your participation in the entire program of the NURETH-21 including the technical tours.

Participants are strongly advised to take out their own insurance to cover personal possessions and travel as the NURETH-21 organizing committee and its agent does not protect individuals against any physical accidents and/or property damage occurring during the entire program of the NURETH-21.

The information and contents provided in this notice is intended purely as guidelines and service for participants and visitors to the NURETH-21. The information may change at any time without notice. The event and organizer accept no responsibility or liability whatsoever related to this publication.
